Hi Brooke,

Congratulations, your place on the Bali program has been secured and I'm delighted to have you onboard! Your journey starts here.

What to do next

I've upgraded your [MyIVHQ](#) account to give you access to your personalized online preparation tools to help you get ready. To make it super easy, these are organized as a step-by-step checklist.

The first step on your checklist is to read your personalized [Program Guide](#). This contains all the essential information you need to know. Please read this as soon as you can - you'll find it answers many of the questions you're likely to have in the first stages of your preparation.

Introducing our Local Team in Bali

When you arrive in Bali, you will be greeted and supported 24/7 by our partner organization, Green Lion. They are a trusted, independent organization run by locals who will manage everything from the moment you arrive until the end of your program, including your placement allocation. They are very excited to have you and they will email you shortly to introduce themselves.

Once you arrive in Bali, the Local Team will be your primary support as they will be able to assist you in-person. You can find their contact details in the [Program Guide](#).

I'm excited about assisting with your preparation! If you have any questions, the best way to contact me is by sending me a message from your MyIVHQ profile. Alternatively, feel free to give me a call on any of the numbers listed [here](#).

Brooke, You have been accepted to volunteer in Bali - Ubud with IVHQ!

Hi Brooke,

Congratulations, you've been accepted to participate in the Bali program with International Volunteer HQ!

My name is Ella and as your dedicated Program Manager, I will be supporting you on each step of this exciting journey. I'm happy to confirm that you meet all the requirements for this volunteer project and I currently have a place available for you on the dates you've chosen.

You will need to apply for a B 211 Social Visa which we recommend applying for at least 3 - 4 weeks before your start date due to the processing time. We recommend applying for this visa through your nearest Indonesian embassy. If your embassy does not issue this type of visa you can apply for it directly through the local team's visa agency partner Global Visa Agency Ubud, Bali. You will find their contact details on your checklist under the "Check border requirements to enter Bali" option once you have registered for the program.
